CLUB NOTES

REASON FOR EASTER FIXTURE EXPERIMENT

Today North End play the return match with Huddersfield Town, who usually do well at Deepdale, but lost here last season by the odd goal. In fact we took three points from the Leeds Road side through earning a 2-2 draw in the away game. Our visitors' fortunes this season have changed to a remarkable extent.

They began the Easter programme well in the top half of the table thanks to the impressive record of having lost only one match in their previous 14. The fans were optimistically thinking in terms of promotion for the Town next year, a prospect undoubtedly encouraged by this season's transformation.

Yet only a few months ago there was at least as much gloom around Leeds Road as during the season's first few anxious weeks at Deepdale. For Town started the campaign without a win in the first nine games and in the early part of September had slumped to a position next to the bottom of the table.

It was alarming and unforeseen in Huddersfield's satisfactory return of 40 points from last season's full programme. There they stayed for five months, the recent revival not taking shape until February 6th when they got on to the winning trail with a good victory against Swindon Town.

A few weeks ago there seemed little doubt that North End would finish higher than Huddersfield, but that prospect has receded through a decline in effectiveness covering the last six matches. These have resulted in one win, one draw and four defeats, with a goals record of 8-14.

CLUB NOTES—continued

It was particularly disappointing when our side dropped another point at home—the eighth draw at Deepdale this season—when up against Bury last Saturday. At the same time some credit was merited through the way the team tackled the shocking start of sacrificing two goals in the first four minutes.

The side fought back with spirit and a well-taken goal by Howard Kendall, who anticipated his opportunity with the instinct of a natural footballer, rewarded sustained efforts in the first half. A grand goal by Alex Dawson, who has come back to form in fine style, levelled matters and the outcome was honours even.

There has been some grumbling over North End not having an Easter home game until Tuesday, this being the first time that has occurred since the war. The record shows at least one first team home match on Good Friday, Easter Saturday or Easter Monday in all previous seasons.

It must be admitted, however, that those morning matches in past seasons have not been satisfying and the attendances have fallen below what was thought to be a reasonable figure for a holiday attraction. So, on this occasion, the Board decided to experiment with a night match in the hope that it would prove more popular with our supporters than an 11.0 a.m. kick-off.

There has not been much joy on the previous seven Easter Mondays with only six goals scored by North End. The results, going back from last season, were: Grimsby 1-0, Grimsby 0-0, Southampton 1-1, Manchester City 1-1, Leeds United 1-1, Burnley 0-4 and Blackpool 2-1. A change for the better is overdue.

STALWARTS IN NORTH END TEAM

ALEX DAWSON

Has had "that spring feeling" in coming back to form with a crop of goals.

TONY SINGLETON

Has missed only 10 matches since his League debut in 1960-61.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car-parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Huddersfield Town*

Welcome to Huddersfield Town, a club whose greatness around 40 years ago really made people open their eyes in admiration. In six seasons starting with 1922-23, soon after their Cup Final win against North End at Stamford Bridge, Town were third, League champions three years together, and twice runners up.

This wonderful record was enhanced by three Cup Final appearances around that time, twice as the losing side. Since the war, however, Huddersfield Town's fortunes have slumped in common with those of many other provincial clubs. This is only the third of 19 seasons in which they have had much to cheer.

In the first six post-war years Town had skirted the bottom so frequently—only once higher than 19th—that relegation was inevitable. Promotion was gained at the first attempt and the following season Huddersfield rose to third position in the championship, with 51 points to West Brom's 53 as runners up.

Two years later Town were relegated through a rapid decline in their powers and have been in Division II continuously since 1956-57. In 1960 they were in dire trouble again, scraping clear of further relegation by only one position, but their recent much improved record is the best in the Second Division.

It is jointly due to shrewd team building—Jimmy Nicholson, ex-Manchester United, John Quigley from Nottingham Forest, Mick Meagan late of Everton, and Tony Leighton, Barnsley's leading scorer last season all having proved themselves good acquisitions—and to admirable team spirit and consistent effort.

The club was founded in 1910 and elected to the League Division II two years later. Their previous managers include the great Herbert Chapman, creator of the modern Arsenal and such noted international players as Clem Stephenson, Andrew Beattie and Billy Shankly. Denis Law came to the fore at Huddersfield.

HUDDERSFIELD PLAYERS

John Oldfield (*goalkeeper*). A capable, well built (6ft., 12st.) performer, and ex-amateur born Sheffield, who has replaced Ray Wood, formerly with Manchester United. A good future is predicted for this young player.

Robert McNab (*right back*). Also joined Town when an amateur playing in Huddersfield, his native town. Not much of him but good at positioning.

Denis Atkins (*left back*). Yet another developed from the amateur ranks. Born Bradford. No giant, but tough and hard to beat. Regular last season.

Jimmy Nicholson (*right half*). Manchester United could not find a place for this Belfast-born star last season, but he has been more than welcome at Leeds Road, having contributed much to the change in the Town's fortune this year.

John Coddington (*centre half*). Recruited when an amateur, this stalwart Worksop-born stopper has the height (6ft. 1in.) and weight (12st. 5lb.) for his job.

Mick Meagan (*left half*). Has proved a valuable acquisition after being discarded by Everton. Born Dublin. Stylish, hard-working and constructive.

Kevin McHale (*outside right*). A lively, dangerous raider who is a favourite with Huddersfield fans. First signed when an amateur. Born Darton.

Leslie Massie (*inside right*). Born Aberdeen and brought to Leeds Road from a Scottish Youth Club. Last season played in 33 League games.

Tony Leighton (*centre forward*). A mature leader who has done good service with Leeds United, Doncaster and Barnsley. Native of Leeds, he signed for Town on December 31st. Barnsley's top scorer last term with 24 goals in 38 games.

John Quigley (*inside left*). An old head has fitted in with Town's team-building ideas. Gained Cup winner's medal with Nottingham Forest six years ago.

Billy Legg (*outside left*). Introduced to League football this season when a 16-year-old apprentice. Was 17 on Saturday. Born at Bradford.

SUPPORTERS' CLUB NOTES

OLDER FOLLOWERS of North End will be pleased to hear that on a recent Old Tyme Dancing night we had a visit from that well-known character and P.N.E. full-back of over 30 years ago, genial Jasper Kerr. In common with his counterpart of such recent memory the stalwart Willie Cunningham, Jasper really enjoys his 'Old Tyme' even arriving complete with patent leather shoes!

Jasper's ertswhile partner, Frank Ward is, of course, well-known in the neighbourhood, where he is a builder of homes in the Penwortham area, and a regular attender at Deepdale. News of other old players would be most welcome and certainly of general interest to our keen supporters.

IN ORDER more effectively to co-ordinate the organisation of bingo, nightly raffles, and the stage presentation of artistes appearing in the Club, the committee have placed the running of these in the capable hands of Mr. A. Dodd our steward, with members of the committee to assist as required.

The following new arrangements will now operate:—

(1) **Bingo** is to begin at 8.45 prompt on Friday evenings only. The bingo cards will be on sale in the foyer of the Club for one hour prior to the starting time. Mr. W. Sherrington has been appointed to take over as bingo-caller.
(2) **The Weekly Draw** will take place each Friday evening at 9.30.
(3) **Nightly Raffles** will be drawn at 10.0 p.m. prompt and ticket sellers will be operating all evening.

AFTER THE LAST HOME GAME with Bury a party of members from the Bury Supporters' Club were entertained for the evening. As Bury are making preparations to build a club of their own they found it beneficial to inspect our club during

LANCASHIRE LEAGUE—DIVISION I

Manchester City 0 v. North End 'A' 4

In the early stages only fine defensive work by North End's defence kept the lively City forwards at bay, McAlinden came close to scoring on two occasions. Against the run of play Wood opened the scoring for North End just on half-time. In the second half North End took complete control, playing fast open football and Worswick (2) and Porter added further goals for North End who ran out worthy winners.

LANCASHIRE LEAGUE—DIVISION II

North End 'B' 1 v. Manchester City 'B' 1

With ideal playing underfoot North End took the initiative in the early stages and took the lead when a high lob from left winger Edwards was headed home by outside right Mowat. A strong wind made accurate passing difficult for both teams. City equalized when left winger Ryan beat Mason and scored a fine goal. The second half was full of incidents, City having two goals disallowed for offside and North End hitting the crossbar twice with the goalkeeper beaten. As the wind strengthened the lively ball became difficult to control and as a result play in the closing stages became scrappy.

SUPPORTERS' CLUB NOTES—continued

their stay. It was generally agreed that ours must be the finest Supporters' Club building in the country.

IT HAS NOT been possible to arrange a return football fixture with Manchetter City Supporters' Club for this season but it is hoped that we will have opportunity at the beginning of next season to revenge the 4-1 defeat suffered in Manchester.

ENTERTAINMENT

ON SATURDAY the Club will again feature The Four Just Men in response to overwhelming requests for this act. On Sunday, singer Jim Fitzgerald will be on stage and next Thursday (April 29th) there is Dez Arnold, "comedian extra-ordinary."

ANOTHER Star Cabaret Night is being planned and details will soon be available.
